

Dear Sponsor,

Swingtime in the Rockies committee is proud to offer return of The “*Bishop*” Award for its 2010 West Coast Swing event. RMSDC members and *Swingtime in the Rockies* attendees pride themselves in the accomplishment this trophy represents and are seeking its return. The “*Bishop*” Award is the unequivocal benchmark of achievement at West Coast Swing events nationally. We are requesting your sponsorship of this prestigious Award as your financial leadership is what makes it possible for us to continue this tradition.

The “*Bishop*” Award is a unique hand blown glass trophy created by local artist Paul Lockwood of Piece Unique Studios. Each trophy represents the individuality and uniqueness of every dancer. In addition to being beautiful, it is also the most sought out Trophy on the West Coast Swing circuit nationally.

The presentation of The “*Bishop*” Award is made possible to *Swingtime* competitors only through your support. As a “*Bishop*” sponsor you will be acknowledged on our website and on our video monitors and screens during the event. Most impressively, each sponsor will personally present The “*Bishop*” Award to the first place winners of the division of their choice at the *Swingtime in the Rockies* awards ceremony.

We are requesting your consideration of a sponsorship for the West Coast Swing division of your choice through a donation in the amount of \$400. This sponsorship may be held solely or shared between individuals or companies. *Swingtime in the Rockies* is looking forward to your support to help *Swingtime* continue this important tradition.

To complete The “*Bishop*” sponsorship process or for further information, please contact Tom Perlinger, Event Director at 303-719-1712 or at swingtimeintherockies@gmail.com. You may also get further information about *Swingtime in the Rockies* on our website at www.swingtimeintherockies.com

Sincerely,

Tom Perlinger
Event Director
Swingtime in the Rockies
