

Dick Lee

Dick was always had a jest for life. In his early years it was motorcycling, fishing, skiing, horseback riding, anything out of doors. But in the early 1990's Dick found his new passion...dancing. First it was the "honky tonks", two stepping to his heart's content. Later he became an avid West Coast Swing dancer, competitor, and part-time instructor. Dick loved getting dressed up for the Swing Club's annual gala, but more often was seen with a tool in his hand, setting up the ballroom for Swingtime in the Rockies (for eight years!). Dick served on the RMSDC Board as Dance and Entertainment Chairperson...Dick loved to put on a party! He was recognized for his tireless service as the RMSDC Member of the Year in 2002. Dick was easily spotted on the dance floor...his great style and handsome face always attracted the ladies. He is sorely missed by many.
